

JULIUS MARTIN.

[To accompany Bill H. R. No. 527.]

MARCH 30, 1860.

---

Mr. BUFFINTON, from the Committee on Military Affairs, made the following

REPORT.

*The Committee on Military Affairs, to whom was referred the claim of Julius Martin, of California, make the following report :*

That during the war with Mexico, in 1847, Julius Martin supplied the California battalion of volunteers with horses, harness, tools and lumber, to the amount of four hundred and twenty-eight dollars, and has not been paid. The accounts are certified by Quartermaster Jacob R. Snyder and Major P. B. Readings, and are approved by Lieutenant Colonel John C. Frémont, who was in command of the battalion. This claim was presented at the Treasury Department, but was not paid, for the reason that the appropriation made for this class of cases had been exhausted. The Committee on Military Affairs, in the last Congress, reported in favor of the claim.

Your committee herewith report a bill for the payment of the amount due the claimant.
